BUSINESS TRANSFORMATION

The company's top objectives

- Supply the right products on time and intact
- Offer best-in-class customer service, while cutting operational costs
- Quickly report on salary statements and related data
- Maintain transparency and reduce dependency on individual employees

The resolution

- Implemented an SAP® Business-All-in-One solution and the SAP ERP Human Capital Management (SAP ERP HCM) solution, using an SAP-qualified rapid-deployment solution from Yash Technologies
- Defined uniform processes across the business
- Centralized the storage of employee information, enabling integration of employee and financial data

The key benefits

- Fast, point-in-time reporting on HR hierarchies, payroll, hiring, remuneration, and other related data
- Streamlined and efficient processes that don't rely on any one individual
- Uniform understanding of business processes and report output
- Program to evaluate employees each quarter

"Implementing SAP solutions in our organization helped us redefine and streamline our processes and operations, thereby enabling us to offer excellent and unmatched quality of service to our customers."

Rajkumar S, COO and Director, Sequel Logistics Pvt Ltd.
