SAP: Simplifying Business Travel with the SAP® Cloud for Travel and Expense Solution

With the SAP® Cloud for Travel and Expense solution, employees of SAP AG can manage their business travel, from planning to expense reimbursement. Designed for the way customers travel, SAP Cloud for Travel and Expense **enables employees to travel smarter,** spend better, and get reimbursed faster – all while staying in compliance with corporate policies and delivering the business goals of SAP.

Empowering employees to travel efficiently

With SAP® Cloud for Travel and Expense

Objectives

- Manage the travel process better – from travel planning and expenses to reimbursement
- Enable smarter, faster travel workflows that are in global compliance and adherent to corporate policy
- Simplify the employee travel process

Why SAP

- Smooth integration of the SAP® Cloud for Travel and Expense solution with back-end SAP solutions
- The logical choice for streamlined, simplified travel

Benefits

- Simplified travel expense–reimbursement process and fostered trust, as the need for approvals has been eliminated and travel requests are no longer required
- Anytime, anywhere ability to claim travel- and nontravel-related expenses using an intuitive user interface available from the personal computer, Apple iPhone and iPad, or BlackBerry
- Easier travel planning with the "get there" functionality of the solution

Future plans

Company-wide rollout planned for next year

"SAP Cloud for Travel and Expense enables smarter, faster workflows that enforce compliance with corporate policies".
