Any provision adding to or differing from the above must be agreed in writing.

SAP reserves the right to review and approve all uses of SAP's Trademarks, service marks, or trade names in Provider's advertising and promotion of the Software, prior to use. Such approval will not limit Provider's obligation to comply with all applicable laws and will not be deemed an endorsement or approval of any advertising content.
- 5.5 SAP shall have permission to list Provider with name and logo on its website and marketing material as an SAP partner in the business field as it relates to the Authorized Services without the requirement to seek Provider's written permission for each such listing, unless such permission is rescinded by Provider in writing.

- 5.6 Except as stated above, no Party has the right to use or display the other Party's names, trademarks, trade names, logos, or service marks ("Marks") without prior written approval. Notwithstanding the foregoing, nothing contained in this Agreement shall affect either Party's rights to use any trademarks, service marks or proprietary words or symbols of the other Party to properly identify the goods or services of such other Party to the extent permitted by applicable law or by written agreement between the Parties.
- 5.7 Each Party agrees to promptly notify the other Party of any unauthorized use of the other Party's Marks or proprietary words or symbols of which it has actual knowledge. Each Party shall have the sole right and discretion to enforce any rights and claims regarding its Marks or unfair competition related thereto. Each Party agrees to provide the other Party with its reasonable cooperation and assistance at the requesting Party's expense with respect to any such infringement proceedings.
- 5.8 If at any time SAP determines that the laws or policies of any country are or become materially insufficient to protect its intellectual or proprietary rights in the Software, SAP may restrict or terminate Provider's rights to use the SAP Trademarks in or to that country, on written notice to Provider. Provider shall take all actions reasonably necessary to comply with and enforce any such restriction or termination.

Income or corporation taxes of SAP will be borne by SAP. If Provider is required to withhold income or corporation tax or a similar tax from any payment to SAP under this Agreement Provider shall be entitled to withhold or deduct such tax from the gross amount to be paid. However, Provider shall use all endeavors to reduce any such withholding tax payable to the lowest possible rate subject to compliance with all applicable laws and double taxation treaties. Provider will in the case of any withholding of tax provide SAP a receipt from the relevant authority to which such withholding tax has been paid.
