

PROFESSIONAL SERVICES AGREEMENT

This Professional Services Agreement ("Agreement") is effective as of the date of final signature of the first SOW ("Effective Date") and is entered into by and between SAP and Licensee (each as defined in the SOW).

BACKGROUND

WHEREAS, Licensee has licensed from SAP (or an SAP AG Affiliate, or an authorized reseller of the SAP Software) the right to use SAP Software, pursuant to a License Agreement. For purposes of this Agreement, Licensee may alternately be a legal entity that has a right under a License Agreement to use the SAP Software as an Affiliate or Subsidiary. Words that begin with a capitalized letter shall adopt the same meaning as in the Licensee's License Agreement, unless otherwise provided herein.

WHEREAS, SAP provides certain Services in Sweden which Licensee desires to obtain on the basis of certain Statements of Work executed by the parties which reference and incorporate this Agreement (each a "SOW"). The SOWs more fully describe the scope, duration, and fees for the Services.

NOW, THEREFORE, in consideration of the mutual promises and obligations in this Agreement, the sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Definitions

- 1.1. "Confidential Information" means, with respect to SAP, all information which SAP protects against unrestricted disclosure to others, including but not limited to: (a) the SAP Software, documentation, Work Product and other SAP materials, including without limitation the following information regarding the SAP software: (i) computer software (object and source codes), programming techniques and programming concepts, methods of processing, system designs embodied in the software; (ii) benchmark results, manuals, program listings, data structures, flow charts, logic diagrams, functional specifications, file formats; and (iii) discoveries, inventions, concepts, designs, flow charts, documentation, product specifications, application program interface specifications, techniques and processes relating to the software; (b) the research and development or investigations of SAP; (c) product offerings, content partners, product pricing, product availability, technical drawings, algorithms, processes, ideas, techniques, formulas, data, schematics, trade secrets, know-how, improvements, marketing plans, forecasts and strategies; and (d) any information about or concerning any third party (which information was provided to SAP subject to an applicable confidentiality obligation to such third party). With respect to Licensee, "Confidential Information" means all information which Licensee protects against unrestricted disclosure to others and which (i) if in tangible form, Licensee clearly identifies as confidential or proprietary at the time of disclosure; and (ii) if in intangible form (including disclosure made orally or visually), Licensee identifies as confidential at the time of disclosure, summarizes the Confidential Information in writing, and delivers such summary within thirty (30) calendar days of any such disclosure.
- 1.2. "Consultants" means employees and third party contractors which SAP utilizes to provide Services to Licensee.
- 1.3. "Deliverables" mean such Work Products, if applicable, which are specific outputs that SAP provides to Licensee, provided such output must be clearly and expressly labeled as a "Deliverable" in the applicable SOW.
- 1.4. "Intellectual Property Rights" means patents of any type, design rights, utility models or other similar invention rights, copyrights, mask work rights, trade secret, know-how or confidentiality rights, trademarks, trade names and service marks and any other intangible property rights, including applications and registrations for any of the foregoing, in any country, arising under statutory or common law or by contract and whether or not perfected, now existing or hereafter filed, issued, or acquired.
- 1.5. "License Agreement" means the agreement between SAP (or an SAP AG Affiliate, or an authorized reseller of the SAP software) under which Licensee procured the license rights to use SAP software.
- 1.6. "SAP Software" means (i) any and all software products licensed to Licensee under the License Agreement as specified in Software Order Forms (or other order forms, schedules or appendices as applicable) thereto; (ii) any new releases thereof made available through unrestricted shipment pursuant to the respective support agreement and (iii) any complete or partial copies of any of the foregoing.
- 1.7. "Services" means professional services, provided by SAP to Licensee under a SOW that references this Agreement.
- 1.8. "Taxes" means VAT or similar taxes, duties or levies now or hereafter charged all of which shall be for Licensee's account. If any such Taxes have to be withheld or deducted from any payment under this

Agreement, Licensee shall increase the payment under this Agreement by such amount that after such withholding or deduction SAP shall have received an amount equal to the payment otherwise required.

- 1.9. "Work Product" means any work product or tangible results produced by or with SAP pursuant to this Agreement or any SOW, including, but not limited to, works created for or in cooperation with Licensee.
- 1.10. "Affiliate" means any legal entity in the Sweden in which the Licensee, directly or indirectly, holds more than fifty percent (50%) of the shares or voting rights. Any such legal entity shall be considered an Affiliate for only such time as such equity interest is maintained.

2. Provision of Services.

- 2.1. SAP will provide the Services in accordance with the SOW. SAP shall be bound by an order for Services only upon signature of the SOW by SAP.
- 2.2. Any time of delivery stated by SAP in any such SOW shall be approximate and thus not binding on SAP, unless a fixed time of delivery, stated as such, has been expressly agreed in writing between SAP and Licensee.

If agreed in writing, SAP shall endeavour to estimate the need for Licensee resources. However, the Licensee accepts that such estimation may be revised by SAP during a project, provided that SAP offers a reasonable explanation for this. Licensee shall under no circumstances be entitled to make any claims against SAP based on the fact that SAP's estimation above has been exceeded. Subject to a notice to Licensee, SAP shall be entitled to postpone any time limit, including fixed time limits, provided however, that the accumulated postponements do not exceed 30 working days.

- 2.3. SAP may utilize third party contractors to perform SAP's duties. SAP shall be responsible for the performance of the Services of such third party contractors to the same extent as SAP is responsible for its own performance.
- 2.4. If any Service, in whole or in part, cannot be provided by SAP due to a Licensee act or omission and Licensee fails to provide SAP with reasonable advance notice prior to its act or omission, the time agreed to be spent by SAP resources on such Service will be billed to Licensee.
- 2.5. Notwithstanding the foregoing, any services and work products provided by SAP to Licensee prior to the execution of this Agreement or a specific SOW or a Change Request are the sole property and Confidential Information of SAP and shall be governed by the terms of this Agreement, in particular Sections 9 (Confidentiality) and 12 (Limitation of Liability). If no agreement is completed, all services, work products and deliverables must be returned or deleted and must not be used.
- 2.6. Acceptance

2.7.1 In a Fixed Price SOW, where there are Deliverables, the parties may agree in such SOW that such specific Deliverables can be subject to acceptance procedures. In a Time & Materials SOW the Deliverables shall be deemed complete and accepted by Licensee on the day which SAP performs or delivers them, unless otherwise agreed upon in a SOW.

2.7.2 If there is a SOW with Deliverables and the SOW expressly states that such Deliverables are subject to acceptance procedures, the following language applies, unless otherwise agreed upon in a SOW:

Deliverable Acceptance Period. Upon delivery by SAP of a completed Deliverable, Licensee shall have 10 calendar days to accept or reject ("Acceptance Period") the Deliverable, due to a material defect using reasonable discretion, based on the acceptance criteria set forth in the SOW for that Deliverable. A "material defect" means the Deliverable fails to substantially comply with the applicable and corresponding acceptance criteria for that Deliverable set forth in the SOW. If the relevant Deliverable passes the agreed acceptance criteria set forth in the SOW, Licensee will accept the Deliverable. Acceptance will not be unreasonably withheld by Licensee. If Licensee notifies SAP that it has rejected the Deliverable due to a material defect, Licensee shall provide written notice, within such 10 day period, specifying the basis of the deficiency. SAP shall have a reasonable period to cure such deficiency and redeliver the Deliverable for an additional Acceptance Period. If Licensee fails to reject any Deliverable within the Acceptance Period, in a written document specifying the deficiency, Licensee shall be deemed to have accepted such Deliverable as of the 10th day of the Acceptance Period. Upon acceptance of a Deliverable, all Services associated with such Deliverable shall be deemed accepted and SAP shall have no further obligation with respect to an accepted Deliverable. A Deliverable shall not be made available for Licensee's productive use, unless it has been accepted by Licensee (either expressly or by passage of time). Where acceptance criteria is not specified in the SOW for a Deliverable, such Deliverable will be deemed complete and accepted by Licensee the day which SAP performs it or delivers it.

3. Licensee's General Responsibilities.

- 3.1. Licensee is responsible for making the necessary arrangements to allow SAP to perform the Services. Licensee is at all times obliged to reasonably cooperate with SAP to the extent necessary for SAP being able to perform the Services.
- 3.2. Licensee shall provide and make available all Licensee personnel that SAP reasonably requires in connection with performance of the Services and as may be further addressed in an applicable SOW.
- 3.3. If the Services are performed at Licensee's site, Licensee agrees to provide, free of charge, necessary access to its site including, but not limited to, appropriate access to Licensee premises, computer systems and other facilities.
- 3.4. Licensee shall appoint a contact person to supply SAP with any necessary or relevant information and who shall have the authority to make decisions or obtain decisions from others expeditiously.
- 3.5 Licensee is at all times obliged to:
 - 3.5.1 take appropriate precautions against the risk of losses or damages to the computer systems used or worked with by SAP employees or subcontractors of SAP, including precautions against loss of or damage to data;
 - 3.5.2 assure that appropriate back-up has been taken prior to providing SAP employees or externally related consultants or subcontractors of SAP access to Licensee's computer systems and that appropriate back-up of all work conducted by SAP on the Licensee's computer systems will be made currently. Back-ups shall comprise any kind of data, including data related to
 - 3.5.3 projects or assignments in progress involving SAP (unless otherwise expressly agreed upon in writing between SAP and Licensee, SAP will not perform back-ups of such data, regardless of whether the data has been provided by SAP or of whether the data is saved in a system not yet delivered to Licensee);
 - 3.5.4 maintain necessary and adequate precautions in order to avoid and minimize damages on Licensee's computer systems, including precautions against virus, hacking etc.;
 - 3.5.5 refrain from initiating the use of the Services until the Services have been properly tested.

4. Change Request Procedures.

- 4.1. During the term of a SOW, either party can request changes to a SOW in accordance with the change request form attached to the applicable SOW ("Change Request"). Both parties agree to act in good faith to address and mutually agree to any requested Change Requests within a reasonable period of time.
- 4.2. SAP will not perform under a Change Request until agreed to and signed by the parties.
- 4.3 If Licensee makes a change request to SAP, SAP will inform Licensee within ten (10) working days (which excludes weekends and applicable public holidays) whether the change is possible or not and what impact the change would have on the Agreement with particular reference to the timeline and remuneration. Licensee must thereupon inform SAP in writing within five (5) working days whether the change request is to apply or whether the contract is to be continued on the existing terms. If the investigation of a change request itself requires substantial work, SAP is entitled to bill separately for that work.
- 4.4 If SAP submits a change request, Licensee must notify SAP in writing within ten (10) working days whether it accepts the change or not.
- 4.5 Until there is agreement about the change, work will continue in accordance with the existing SOW.

5. Satisfaction with Personnel.

If at any time Licensee or SAP is dissatisfied with the material performance of an assigned Consultant or a Licensee project team member, the dissatisfied party shall promptly report such dissatisfaction to the other party in writing and may request a replacement. The other party shall use its reasonable discretion in accomplishing any such change (which also, in the case of SAP, shall be subject to staffing availability).

6. Compensation of SAP.

- 6.1. All Services will be provided by SAP on a time and materials (plus expenses) basis unless otherwise agreed by the parties in the SOW.
- 6.2. Unless otherwise agreed in writing, the Services will be invoiced in accordance with the fees or rates listed in or referenced in the SOW, or Schedules and Exhibits thereto, as applicable.
- 6.3. SAP is entitled to require payment in advance if there are any grounds to doubt that Licensee will render payment punctually including Licensee's filing for bankruptcy or similar proceeding

- 6.4. Fees and other charges described in this Agreement do not include Taxes. Any applicable direct pay permits or valid tax-exempt certificates must be provided to SAP prior to the execution of this Agreement. If SAP is required to pay Taxes, Licensee shall reimburse SAP for such amounts. Licensee hereby agrees to indemnify SAP for any Taxes and related costs, interest and penalties paid or payable by SAP. This Section shall not apply to taxes based on SAP's income.

7. Term and Termination.

- 7.1. Term of the Agreement. This Agreement shall be effective as of the Effective Date, specified above, and shall remain in effect for three (3) years unless terminated earlier by either party in accordance with this Section 7.
- 7.2. Termination of the Agreement for Convenience. Either party may terminate this Agreement for convenience upon thirty (30) days' prior written notice to the other party. If this Agreement is terminated for convenience prior to the completion of one or more SOWs, such termination will not affect the continuation of any such SOW or the applicability of the provisions of this Agreement to any such SOW for the remaining term of that SOW.
- 7.3. Term of a SOW. Each SOW shall be effective on the effective date set forth in that SOW, and shall remain in effect until completion of the Services or terminated earlier by either party in accordance with this Section 7.
- 7.4. Termination of a SOW for Convenience. Except as otherwise agreed in a SOW, each SOW (excluding fixed-price SOWs) may be terminated by either party upon thirty (30) days' prior written notice to the other party. If there is more than one SOW referencing this Agreement, a SOW may be terminated for convenience in accordance with the terms of this section without terminating this Agreement or the other SOWs.
- 7.5. Termination of Agreement and/or a SOW for Cause.

Either party may terminate this Agreement and/or a SOW for cause:

- 7.5.1. upon thirty (30) days' prior written notice of the other party's material breach of any provision of the Agreement or SOW, as applicable, including more than thirty (30) days delinquency in Licensee's payment of any money due hereunder or any SOW, unless Licensee has cured such breach during such thirty day period; or
 - 7.5.2. immediately if the other party files for bankruptcy, becomes insolvent, or makes an assignment for the benefit of creditors, or otherwise breaches materially its obligations in Confidential Information or Assignment.
- 7.6. Effect of Termination. Licensee shall be liable for all payments to SAP, including fees for all Services, including expenses, incurred in the performance of such Services up to the date on which any termination of a SOW or the Agreement takes effect. In the event of termination of a SOW or the Agreement, all Confidential Information of either party provided in connection with this Agreement or SOW, as applicable, in the possession of either party shall be returned to the other party or destroyed with certification of such destruction from an individual of authority to bind the respective party.

8. Work Product.

- 8.1. All title to and rights in the Services, Deliverables and Work Products, and all Intellectual Property Rights embodied therein, including techniques, knowledge or processes of the Services and/or Deliverables (whether or not developed for Licensee), shall be the sole and exclusively property of SAP and SAP AG. Licensee agrees to execute and to ensure its third parties execute such documentation as reasonably necessary to secure SAP's or SAP AG's title over such rights. Licensee waives, to the greatest extent possible under applicable national laws, all moral rights in the jointly developed work products. Regarding the rights which cannot be assigned by law (moral rights) Licensee grants a perpetual, irrevocable and worldwide license to SAP without any extra fee or cost. Neither Party can terminate such agreement. Licensee agrees to execute, acknowledge and deliver to SAP all documents and cooperate with SAP to enable SAP to obtain and secure such rights to the work product throughout the world. Licensee agrees to secure the necessary rights and obligations from relevant employees or third parties in order to satisfy these obligations.
- 8.2. Once all amounts due under a SOW are paid in full and all claims have been satisfied, Licensee is granted a non-exclusive, non-transferable license for the duration of the license granted under the License Agreement, (so long as Licensee complies with the terms of the License Agreement and this Agreement) to use any Deliverables and Work Products provided to it by SAP under a relevant SOW under this Agreement in order to run Licensee's and its Affiliates' internal business operations, and otherwise to the same extent as Licensee is granted a license to use the SAP Software, documentation and SAP Confidential Information in the License Agreement
- 8.3. Licensee acknowledges and agrees that it will not grant, either expressly or impliedly, any rights, title, interest, or licenses to any such modifications or extensions to any third party. The Services and/or work products must not be copied or made accessible to third parties by Licensee. Licensee must immediately

notify SAP in writing if any third party gains unauthorized access to the property or information to or in which SAP retains title or rights and shall take all reasonable steps to stop such unauthorized access and also inform the third party of SAP's rights.

9. Confidentiality

- 9.1. Use of Confidential Information. Confidential Information shall not be reproduced in any form except as required by the receiving party to perform its obligations under this Agreement and/or a SOW. Any reproduction of any Confidential Information of the other shall remain the property of the disclosing party and shall contain any and all confidential or proprietary notices or legends which appear on the original. With respect to the Confidential Information of the other, each party : (a) shall take all Reasonable Steps (defined below) to keep all Confidential Information strictly confidential; and (b) shall not disclose any Confidential Information of the other to any person other than its bona fide individuals whose access is necessary to enable it to exercise its rights hereunder. As used herein "Reasonable Steps" means those steps the receiving party takes to protect its own similar proprietary and confidential information, which shall not be less than a reasonable standard of care. Confidential Information of either party disclosed prior to execution of this Agreement shall be subject to the protections afforded hereunder.
- 9.2. Exceptions. The above restrictions on the use or disclosure of the Confidential Information shall not apply to any Confidential Information that: (a) is independently developed by the receiving party without reference to the disclosing party's Confidential Information, or is lawfully received free of restriction from a third party having the right to furnish such Confidential Information; (b) has become generally available to the public without breach of this Agreement by the receiving party; (c) at the time of disclosure, was known to the receiving party free of restriction; or (d) the disclosing party agrees in writing is free of such restrictions.
- 9.3. Confidential Terms and Conditions; Publicity. Licensee shall not disclose the terms and conditions of this Agreement or the pricing contained therein to any third party. Neither party shall use the name of the other party in publicity, advertising, or similar activity, without the prior written consent of the other, except that Licensee agrees that SAP may use Licensee's name in customer listings and to analyze and leverage details from this Agreement and/or SOWs respectively (e.g., to forecast product demand), or, at times mutually agreeable to the parties, as part of SAP's marketing efforts (including without limitation reference calls and stories, press testimonials, site visits, SAPPHIRE participation). SAP will make reasonable efforts to avoid having the reference activities unreasonably interfere with Licensee's business.

10. Warranty, Defects and Exclusion.

10.1. Warranty

SAP warrants that the Services shall be performed with reasonable skill and attention in line with good industry practice for similar sized organizations providing similar services. Unless it is expressly confirmed in writing by SAP, no communication of any kind can be construed as imposing on SAP any other or more onerous duty or liability than is set forth in this Agreement.

- 10.1.1. Provided Licensee notifies SAP in writing with specific evidence of a breach of Section 10.1 within a period of 90 days following completion of the Services, SAP will, at its option:
- a. re-perform the applicable Services; or
 - b. refund the fee paid for the applicable Services

This is Licensee's sole and exclusive remedy for a warranty breach.

10.2. Defects.

Unless otherwise agreed in writing in any applicable SOW:

- 10.2.1. SAP shall be entitled to payment on the basis of time and material for the remedy of defects, which SAP is liable to remedy unless the defects are unusually extensive relative to the Services in question;
- 10.2.2. If Licensee gives notice to SAP of a defect and it appears that no such defect - or no defect which SAP is obliged to remedy - exists, SAP shall be entitled to claim payment from Licensee for all work conducted - including the investigation;
- 10.2.3. Licensee shall report in writing all defects in the work to SAP in a manner, which enables SAP to ascertain when, and how, the defect occurred. Furthermore, Licensee shall enclose any information necessary to rectify the defect; and
- 10.2.4. Any non-substantial deviations from the specification of the Services or deviations which are of minor importance to Licensee shall not be deemed to constitute a defect.

10.3. Exclusion.

Licensee agrees and acknowledges that SAP and its licensors disclaim all other warranties and conditions, express or implied or statutory, including without limitation, any implied warranties of satisfactory quality or fitness for a particular purpose except to the extent that any warranties implied by the law of Sweden cannot be validly waived.

11. Indemnification

11.1 Subject to Section 12, SAP shall defend Licensee against claims brought against Licensee in Sweden by any third party alleging that Licensee's use of the Work Product, in accordance with the terms and conditions of this Agreement, constitutes a direct infringement or misappropriation of a patent claim(s), copyright or trade secret rights, and SAP will pay damages finally awarded against Licensee (or the amount of any settlement SAP enters into) with respect to such claims. This obligation of SAP shall not apply if the alleged infringement or misappropriation results from use of the Work Product in conjunction with any other software, an apparatus other than a Designated Unit, failure to use an update provided by SAP if such infringement or misappropriation could have been avoided by use of the update, or unlicensed activities. This obligation of SAP also shall not apply if Licensee fails to timely notify SAP in writing of any such claim. SAP is permitted to control fully the defense and any settlement of any such claim as long as such settlement shall not include a financial obligation on Licensee. In the event Licensee declines SAP's proffered defense, or otherwise fails to give full control of the defense to SAP's designated counsel, then Licensee waives SAP's obligations under this Section. Licensee shall cooperate fully in the defense of such claim and may appear, at its own expense, through counsel reasonably acceptable to SAP. SAP expressly reserves the right to cease such defense of any claim(s) in the event the Work Product is no longer alleged to infringe or misappropriate, or is held not to infringe or misappropriate, the third party's rights. SAP may settle any claim on a basis requiring SAP to substitute for the Work Product alternative substantially equivalent non-infringing programs and supporting documentation. Licensee shall not undertake any action in response to any infringement or misappropriation, or alleged infringement or misappropriation of the Work Product that is prejudicial to SAP's rights.

11.2 Licensee agrees and acknowledges that the provisions of this Section 11 state the sole, exclusive, and entire liability of SAP and its licensors to Licensee, and is Licensee's sole remedy, with respect to the infringement or misappropriation of third-party intellectual property rights.

12. Limitation of Liabilities

12.1. Anything to the contrary herein notwithstanding, except for damages resulting from unauthorized use or disclosure of confidential information and SAP's right to collect unpaid fees, under no circumstances shall SAP or Licensee be liable to each other or any other person or entity for an amount of damages in excess of the fees paid for the applicable services under the relevant SOW, as applicable, directly causing the damages or be liable to each other or any other person or entity in any amount for special, incidental, consequential or indirect damages, loss of good will or business profits, work stoppage, data loss, computer failure or malfunction, any and all other commercial damages or loss, or exemplary or punitive damages. The provisions of this Agreement and the fees under a specific SOW allocate the risks between SAP and Licensee.

12.2 SAP is only subject to product liability in accordance with mandatory rules of the country of the SAP subsidiary subject to the agreement. SAP disclaims any other kind of liability for damage or injury cause by a defective product on any other basis. The Licensee shall, without undue delay, notify SAP in writing of any damage or injury caused by a defective product, of any claim advanced by third party, of any such damage or injury, or of any risk that such damage or injury may occur. To the extent SAP incurs liability to any third party, Licensee shall indemnify SAP to the same extent to which SAP's liability is limited pursuant to this section 12.

12.3 Nothing in this Agreement shall exclude or limit either party's liability for breach of section 9, death or personal injury caused by negligence, willful misconduct or fraud, or any other liability which cannot be excluded or limited by applicable law.

12.4 Nothing in this Agreement shall impose any liability, personal or otherwise on SAP's Consultants or employees.

13. Assignment

Licensee may not, without SAP's prior written consent, assign, novate, or otherwise transfer this Agreement, or any of its rights or obligations under this Agreement, or the Work Products and Deliverables or SAP Confidential Information, to any party, whether voluntarily or by operation of law, (including by way of sale of assets, merger or consolidation unless agreed in advance with SAP, such approval not to be unreasonably withheld). SAP may (i) assign this Agreement to any of the SAP AG affiliates or (ii) subcontract all or part of the work to be performed under this Agreement or a relevant SOW to a third party.

14. General Provisions

14.1. Severability.

It is the intent of the parties that in case any one or more of the provisions contained in this Agreement shall be held to be invalid or unenforceable in any respect, such invalidity or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid or unenforceable provision had never been contained herein.

14.2. No Waiver.

If either party should waive any breach of any provision of this Agreement, it shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision hereof.

14.3. Notice.

All notices which are required or may be given pursuant to this Agreement shall be in writing and shall be deemed to be duly given when delivered to the respective offices of SAP or Licensee at the addresses set forth in the relevant SOW. Where in this Section 14.3 or elsewhere in this Agreement written form is required, that requirement can be met by facsimile transmission or exchange of letters (excluding any other written form e.g. emails unless otherwise agreed in a SOW).

14.4. Independent Contractor.

The relationship of SAP and Licensee established by this Agreement is that of an independent contractor and no employment, agency, trust, partnership or fiduciary relationship is created by this Agreement.

14.5. Force Majeure.

Any delay or nonperformance of any provision of this Agreement (other than for the payment of amounts due hereunder) caused by conditions beyond the reasonable control of the performing party shall not constitute a breach of this Agreement, and the time for performance of such provision, if any, shall be deemed to be extended for a period equal to the duration of the conditions preventing performance.

14.6. Governing Law

14.6.1 This Agreement and any applicable SOW between SAP and Licensee and any claims arising out the Agreement and SOW shall be governed by and interpreted in accordance with the national laws - without regard to its international private law rules and the UN sales laws - of Sweden. This includes the procedural rules of Sweden. Any dispute arising out of or in connection with the agreement, including any disputes regarding the existence, validity or termination, shall be settled by arbitration in accordance with the following rules Sweden.

The Rules for Expedited Arbitrations of the Arbitration Institute of the Stockholm Chamber of Commerce (the SCC Institute) unless the SCC Institute, taking into account the complexity of the case, the amount in dispute and other circumstances, determines, in its discretion, that the Arbitration Rules of the Arbitration Institute of the Stockholm Chamber of Commerce shall apply. In the latter case, the SCC Institute shall also decide whether the arbitral tribunal shall be composed of one or three arbitrators.

The language of arbitration shall be English. For the avoidance of doubt, any arbitration decision shall be final and binding and be confidential between the parties and not disclosed to any third party. If a dispute is brought before an ordinary court by Licensee, on SAP's request, the dispute shall be rejected by that court and submitted to a court of arbitration as set out above.

Notwithstanding the above, at the request of SAP, which request can be made by SAP at any time and in respect of any dispute, the parties shall instead submit to the exclusive jurisdiction of the courts of the country of residence of the SAP entity of which Licensee has entered into a License Agreement.

14.6.2. Licensee agrees and acknowledges that only the contracting legal entity to this Agreement (for the purposes of this clause 14.6.2 "Licensee") shall be entitled to enforce any of the terms of this Agreement and/or applicable SOW. In this regard, save as provided in this Agreement and/or SOW, the Licensee must initiate a cause of action for any claim(s) arising out of or relating to this Agreement and its subject matter within one (1) year from the date when Licensee knew, or should have known after reasonable investigation, of the facts giving rise to the claim(s).

14.7. Non-Solicitation.

Neither party shall knowingly solicit or hire, any of the other party's employees involved in a SOW during the term of the applicable SOW and for a period of six (6) months from completion of the Services set out therein, without the express written consent of the other party. This provision shall not restrict the right of either party to solicit or recruit generally in the media.

14.8. Delay.

Licensee agrees and acknowledges that any delay by SAP in the performance of its obligations under this Agreement and/or applicable SOW, whether reasonable or not, material or not, shall not be grounds for Licensee terminating the Agreement and/or applicable SOW.

14.9. Entire Agreement; Written Form; Hierarchy.

- 14.9.1. This Agreement, including all applicable SOWs and Schedules thereto, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements between the parties, whether written or oral, relating to the same subject matter.
- 14.9.2. No modifications, amendments, or supplements to this Agreement shall be effective for any purpose unless in writing and signed by the authorized signatories of the parties. The foregoing provision also applies to any waiver of the written-form requirement.
- 14.9.3. In the event of any inconsistencies between the Agreement and a SOW, the SOW shall take precedence over the Agreement, provided the SOW explicitly references the provision of the Agreement that it amends and states that it supersedes such provision.
- 14.9.4. All conflicting or other conditions, including Licensee's general terms and conditions or Licensee's Purchase Order terms and conditions, are hereby rejected and do not form any part of the Agreement or SOW, even where SAP has performed Services without expressly rejecting such conditions upon receipt. Any purchase order or other document issued by Licensee is for administrative convenience only. If, for reasons related to Licensee's internal arrangements or otherwise, Licensee's conditions of purchase or other standard terms are included by insertion, reference, enclosure, attachment or otherwise in Licensee's acceptance of SAP's offer (for example, in Licensee's purchase order), Licensee cannot rely on those conditions or terms and they are not incorporated in and do not form any part of the Agreement or SOW, and failure to expressly exclude them does not imply their acceptance.

14.10. Regulatory Matters.

The SAP Confidential Information inclusive of all Work Product and Deliverables are subject to the export control laws of various countries, including without limit the laws of Sweden. Licensee agrees that it will not submit the SAP Confidential Information to any government agency for licensing consideration or other regulatory approval without the prior written consent of SAP, and will not export the Confidential Information to countries, persons or entities prohibited by such laws. Licensee shall also be responsible for complying with all applicable governmental regulations of the country where Licensee is registered, and any foreign countries with respect to the use of the Confidential Information by Licensee and/or its subsidiaries

14.11. Survival.

Sections 7 (Term), 8 (Work Product), 9 (Confidentiality), 11 (Limitation of Liabilities), 14.6 (Governing Law), and 14.7 (Non-Solicitation) shall survive any termination of this Agreement.

15. System Security and Data Safeguards.

When SAP is given access to Licensee's systems and data, SAP shall comply with Licensee's reasonable administrative, technical, and physical safeguards to protect such data and guard against unauthorized access. In connection with such access, Licensee shall be responsible for providing SAP Consultants with user authorizations and passwords to access its systems and revoking such authorizations and terminating such access, as Licensee deems appropriate from time to time. Licensee shall not grant SAP access to Licensee systems or personal information (of Licensee or any third party) unless such access is essential for the performance of Services under the Agreement. The parties agree that no breach of this provision shall be deemed to have occurred in the event of SAP non-conformance with the aforementioned safeguard but where no personal information has been compromised.

Each party will carry out its obligations under the Agreement in accordance with the applicable law in Sweden implementing the European Union Data Protection Directive 95/46/EC and any other legislation applicable to personal data in the European Economic Area (EEA). To the extent that SAP exports or processes Licensee's personal data outside the EEA, it will ensure any such processing or export shall be on terms equivalent to those herein and SAP shall enforce such terms against the relevant subcontractors.
